

Irish CarBomb Cupcakes:

Just add Guinness (we prefer Youngs Double Chocolate Stout) to replace the water in any delicious dark chocolate cake mix.

Beat a pint of heavy whipping cream until soft peaks occur.

Split whipped cream in 2 halves.

Add Jameson irish whiskey to taste, this will be the cupcake filling.

Add Baileys irish cream to taste, to the other half of whipped cream, this is the frosting.

For presentation, grate dark chocolate over the frosting. Enjoy!!
