CLUBHOUSE NEWS

At the May meeting, Joe Mongan
proposed the idea of starting a FCB
clubhouse where brewers can meet,
discuss homebrewing, and brew their
beer! The response was very positive
from the meeting attendees.

A group of members attended a meeting in Chicago for the
CHAOS Brew Club and toured their clubhouse to get an idea of how
they make theirs work. They came back with several ideas.

The concept is still being considered and more information will
be discussed at the June meeting. In the meantime, please take the
survey Joe posted to the FCB facebook page and sent to members'
personal email addresses.

If you would like more info on the CHAOS Brew Club, please
