Forest City Brewers

Welcome to the Forest City Brewers!! If you're interested in learning about homebrewing for the first time or already have years of brewing experience – this is a great club to apart of.

We assemble each month to promote the hobby of homebrewing by learning more about brewing, sharing our brewing experiences and our beers amongst our members. Each month during our meetings we start with a welcoming of new faces. We discuss information about the club and the status of club functions and upcoming events. Usually there is a presentation or discussion on "Better Brewing" that helps further our knowledge of the art of homebrewing. The style of the month will be the last item discussed before the tastings. The highlight of the meeting is our homebrew sampling session. We ask for a \$2 donation for the sampling session. The beers being sampled are supplied by club members and is set out on two tables, the Style Table and the Open Table. During the sampling session we vote on the best "to style" beer on each table and the winner receives a small award. Everyone who submits a beer receives points based on how well they scored. At the end of the year the points are tallied and a Brewer of the Year award is given to the winner of each table.

Upcoming Competition Styles

October – 21B, Black IPA ABV 5.5 % - 9.0%

November – 16A Sweet Stout (Milk Stout) British ABV 4.0% - 6.0%

> *Please remember to preregister your beers to earn points for the Brewer of the Year contest by emailing fcbbeersteward@gmail.com

Monthly Style Table Competition

Style Table – Every month, a different,

predetermined BJCP style will be represented on the table. All beers on the style table are to be brewed as close to style as possible, based on the BJCP Guidelines. Voters should be extremely critical when placing a vote for a beer on this table. Even if the beer is extremely tasty, if it's out of style, it shouldn't get a vote. The style will be discussed briefly before the tasting, and if applicable, a classic, commercial example of the beer style will be shared with everybody in attendance to get them more familiar with the style.

September Style Table – SMASH

Mark Davis takes first place in this month's Style competition.

Open Table – The Open table is anything that is NOT that months style. All entries are still required to specify a BJCP style number. We encourage all voters to not only vote for the best beer on the table, but to vote for the best beer as it fits the indicated style. We encourage discussion of all the beers and styles during the tasting, as we're all there to learn and get better as brewers and tasters. Just be aware that the person you're talking to might have brewed the beer you're drinking. Constructive criticism is always welcome, but be constructive.

September Open Table

Lesley Davis placed in first in this month's Open competition with a Coconut milkshake IPA. Dave Benson takes home second place with a Braggot.

NOTE: For the "BEST" beer put the right chip into bag. OPEN Table = Red Chip STYLE Table = White Chip
